### MISSIONARY NOTES

From the Woman's Society of the Clovis Baptist Church.

Miss Lillian May of Albuquerque, corresponding secretary and field worker of the Woman's Missionary Union of New Mexico met with the members of the Clovis Missionary Society at the church Wednesday afternoon, February 23rd at 2:30 o'clock. Miss May gave a very interesting and instructive talk along the lines of their work which was appreciated by the members present at this meeting. A solo by Mrs. Newton with Mrs. Byrd Johnson as pianist was beautifully rendered.

Mrs. J. S. Skarda, secretary of the W. M. S. of the Baptist church, entertained the executive officers and circle chairmen Wednesday, February 23rd, at 1:30 p. m., at luncheon to meet Miss Lillian May of Albuquerque, state W. M. U. corresponding secretary. An elegantly prepared three-course luncheon was served by our charming hostess in her own thoughtful and gracious manner for each guest present.

The different circles of the Baptist W. M. S. served dinner at the parsonage Thursday, Friday and Saturday of last week to the men at work on the Junior and Intermediate depart-

ment Sunday school rooms which are being built on the north side of the present church building.

Members from each of the four circles also served dinner again Monday noon, February 28th, and made themselves useful in the use of mops and scrub cloths in cleaning of the parsonage in view of the fact that the new pastor of the church with his wife and son are expected to be here the latter part of this week.

The week of prayer for Home Missions for the Loyalty Campaign week was observed at the church at 2:30 each afternoon including Sunday, Monday and Tuesday, the different circles of the W. M. S. having charge. Well arranged programs were given at each meeting.

The W. M. S. gave their Wednesday program at the prayer service hour Wednesday evening at the church at 7:15 with Mrs. I. C. Johnson presiding at the meeting. An interesting and helpful hour with the different members taking part in the Loyalty Program was given. Duet, "I Am to Be a Worker," by Mesdames Byrd and Laurel Jenson and a solo by Mrs. Newton were greatly enjoyed by those present.

The class in their study of stewardship and missions, led by Mrs. I. C. Johnson, will meet in regular weekly meetings at the church at 2:30 Thursday afternoon.

Circle No. 1 will give a pantry sale on Saturday, March 5th, at the Harris Furniture Company on the corner of Main and Otero Streets, between the hours of 10:00 a. m. and 5:00 p. m. the funds to be used for the Baptist hospital. A good attendance with liberal buyers will greatly help in this worthy cause which each Clovis citizen shares one with another.

## MUCH CORN IS BEING SHIPPED FROM COUNTY

Between 75,000 and 80,000 bushels of shelled corn have been shipped from Clovis this season, according to estimates furnished by Clovis elevator men, and probably not more than a third of the crop has been marketed.

This is a decided increase over any previous year, and furnishes a good answer for the argument that Curry County is not a good corn producing area.

While a few shipments have been made to Amarillo and points in Texas, New Mexico and Arizona, the major part of the crop that has been marketed so far has gone directly to Mexico.

## FARM LOAN ACT IS HELD CONSTITUTIONAL

Washington, Feb. 28.—The farm loan act, designed to assist the agricultural development of the United States by providing readily accessible credits to farmers through Federal land banks was declared valid Monday by the Supreme Court.

In an opinion which Commissioner Lobdell of the Farm Loan Board says "clears away every legal question and removes every shadow of question as to the legality of the banks or their bonds," the court held that congress had full authority to establish the land banks and the correlative authority to exempt their bonds from State taxation.

Commissioner Lobdell announced that there would be an immediate issue of farm loan bonds "to an undetermined amount" to finance the \$100,000,000 in loans which already had been approved by the board and which were held up pending the court's decision.

"A bond offering will be made as soon as the bonds can be made ready," Mr. Lobdell said, "and immediately thereafter the distribution of funds begun. It will be at least thirty days however, before funds are available for actual loaning."

"The Farm Loan Board is hopeful that the market may absorb farm loan bonds equal to the borrowing demands of the farms of the country, but no one can predict with safety the result of a financial operation of this magnitude."

Charles Ray in 'Peaceful Valley'

HOO-RAY! CHARLES RAY! As a Rube From the Small Town He Matches Brains with the Slicker From Wall Street—and He Don't Come Off Second Best.

Down with the high cost of living! That has been the battle cry of the whole world for many months and now comes Charlie Ray's pet calf who believes in a literal interpretation

of this oft repeated slogan. Witness how he is downing this high priced milk. Charlie Ray believes in the "cows and the chickens" but when the time comes for him to match his wits against the Wall Street slicker he don't come off second best in the contest, but takes him to a cleaning. His latest story, "Peaceful Valley" is a triumph and unfold a most absorbing story of love and adventure on the

farm and in the city, a story where real humans laugh and cry in their true-to-life struggles. And Charlie Ray plays the young Rube and you'll like him is his characterization of the hick farmer. It's a delightful story. Also showing a two-reel Larry Semon comedy and a Mutt and Jeff cartoon comedy at the Lyceum Theatre Saturday night, March 5th. Try to get
